Introduction

■ Executive Summary

This overview document has been composed to introduce SNAPPY INVESTMENT (PTY) LTD a black economic empowerment company with a 100% shareholding by historically disadvantaged South African entrepreneur. The founding philosophy of the company is based on Government policy that aims to unlock the potential of historically disadvantaged individuals to participate in the mainstream of the South African economy yet performing at the level accustomed to the level expected in the civil and construction sector. The company was formed by Mr. Snappy Ntshwane with a vision to make a difference in development and reconstruction of South Africa economy particularly in the civil and construction sector

■ Our Vision

Our mission is to provide high quality service, environmental and sanitary services to the satisfaction of our customers using up to date technology and a motivated human resource. To achieve market leadership, return on investments and to be a good corporate citizen.

■ Mission Statement

Our mission is to provide world-class quality services to our clients at competitive fees. We want to provide our clients with a useful service that will make them have the ability to have competitive advantage over their rivals in the global market place.

■ Our Values:

- Partnership
- Equity
- Empowerment
- Excellence
- Responsiveness and Customer Satisfaction.

Background

■ History of Development

SNAPPY INVESTMENT (PTY) LTD is a 100% black owned Incorporated in 2015 company offering Construction, Mechanical Engineering, Civil Engineering, Cleaning and the nation's largest distributors of Cleaning Materials, Chemicals and Protective Equipment. For the past 8 years, Snappy Investments (Pty) Ltd has provided an extensive range of innovative Services and products catering for the Professional, Commercial, Industrial and the Domestic Industry.

■ Employment Policy

The company aims to employ from previously disadvantaged background with more emphasis in the community which the company is providing services to. We aim to employ mainly graduates from disadvantaged Universities and technicians who are finding it hard to break in the labour market. The company wants to equip such people with skills and experience to enable them to break into the employment market.

■ Clientele

We aim to serve wide range of clientele from different industries such as government, co-operatives and non-governmental organizations, property development, property agency, building management, hostel management, etc. Our clientele is diverse and it includes individuals and companies ranging from one- man size medium to large size.

■ Our Success

Our success is primarily based on customizing client requirements to create true commercial value for the client. This fundamental principal drives high client loyalty and in turn focuses our joint attention towards:

- Reducing Client Procurement Costs.
- Reducing Client Transaction Costs
- Improving Client Labour Productivity.
- Improving Client/ End-user Relationships.

■ Management

The directors of **Snappy Investments (Pty) Ltd** are committed to providing control of activities to avoid unnecessary or unacceptable risks to employees, customers, the general public and the environment by careful planning and assessment of all aspects and by determining controls with monitoring capabilities to ensure effectiveness; the concepts of Best Practicable Environment Option shall apply together with the duty of care by establishment and maintenance of high operational standards.

Our entire firm is dedicated to providing the highest level of service that you, the customer, consider most appropriate for your needs. Please feel free to contact us and we would be only too pleased to arrange a site visit from one of our dedicated Sales Staff. We thank you for this opportunity and should you require any further assistance, please do not hesitate in contacting the undersigned.
